MEMORANDUM FOR COMMANDERS, MEDCOM RMCs/MEDCENs/MEDDACs

SUBJECT: Army Medical Expense and Performance Reporting System (MEPRS) Functional Cost Codes, Fiscal Year (FY) 2002

1. The enclosed MEPRS Functional Cost Codes (FCC) document contains all the FCCs available for use by the Army MTFs. The U.S. Army MEPRS Program Office must approve any other fourth level codes. This document has been completely revised for FY 02. The major changes are listed below:

a. Added new section, Account Subset Definition (ASD) table. This section includes the Allocation Sequence of the ancillary and support services codes.

b. Added new section, Data Sets. This section identifies the standard data sets and the service units used for allocation.

c. Added the "A" accounts to the Special Coding for Resource Sharing.

d. Added new FCC. The new code is EBJ_, Service Information Management/Information Technology.

e. Deleted EBCG.

f. Eliminated the fourth level FCCs for Troop Medical Clinics, Army Health Clinics and Veterinary Locations. The fourth level will still be used to identify specific locations but will not be specifically identified in this document.

g. The term Performance Factor has been replaced by the term Service Unit.

h. Medical Region Support and Lead Agent Support have been moved from FCD to FCG.

i. Eliminated the columns, Report Man-hours, Report Expenses, and STD SAS#.
